

Election of the new EMS Council

Dear Members of the European Membrane Society,

According to our statutes, the council of our Society must be partly renewed every other year. This year, 4 council members will step down (Cristiana Boi, Alberto Figoli, Antoine Kemperman and Wojciech Kujawski) and the council proposes to replace them by 4 new members, who will serve the Society for a 4 years term, starting on January 1st, 2019.

Further to our call for candidates, we have received 8 valid candidacies from the following members of the Society.

- Agrawal Kumar Varoon
- Anthony Szymczyk
- Ilya Vorotyntsev
- Loredana de Bartolo
- Marco Stoller
- Maria-Grazia De Angelis
- Tatiana Plisko
- Victor Nikonenko

The curriculum-vitae and the vision on the EMS of each candidate is available on <http://www.emsoc-vote.eu> in the "Vote" section.

The election will be held on-line, between **November 1st (from 11 AM GMT)** and **December 2nd (until 11 PM GMT)**.

We therefore invite you to vote for exactly 4 candidates via our electronic voting machine by logging in at <http://www.emsoc-vote.eu>.

Once elected, the new council will organise a meeting and elect its board: a President, a Secretary and a Treasurer

Your EMS username and password will be requested. Once logged-in, just follow instructions. You may check the candidates' details by clicking on their names, then select your preferred candidates. You may vote for 4 candidates exactly.

Only EMS members can vote for this election.

Please, do not hesitate to contact us (ems@chimie.ups-tlse.fr) if you have any question.

Best regards,

EMS secretariat
