

# Marie-Sklodowska Curie Doctoral Network « ChimSep »

- 13 Doctoral Candidate Positions opened
  - 7 positions for experimental OSN & MD
  - 1 position for computational modelling in OSN
  - 5 positions in organic synthesis & catalysis

○ Application from July 18 to August 31, 2023

○ Position start: from November 2023

○ Already on Euraxess / LinkedIn

Murielle Rabiller-Baudry  
Professeure chez

ChimSep  
Doctoral  
Network

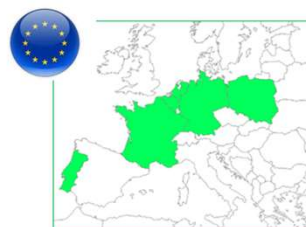

*Chemists and Chemical Engineers  
for the Chemical Factory of the future*

## ChimSep Doctoral Network

6 European countries  
7 Academic beneficiaries  
7 Industrial partners  
1 bio-economy cluster with 380 members (50% SMEs)  
from France, Belgium, Germany Switzerland

PhD training through  
Research at the interface between homogeneous  
catalysis & membrane separation processes

13 PhD trained with double competency for the  
development of the chemical industry of the future

Université  
de Rennes  
coordinator
